### Installation Instructions

1. Locate wall stud for anchoring. DO NOT anchor through drywall only.
2. Hold rack against mounting location with screw holes aligned vertically.
3. Mark location of holes.
4. Using a small diameter drill bit, pre-drill holes for screws.
5. Position washer on screw between screw head and rack, then use a screwdriver or drill to tighten rack to wall.
6. Repeat for 2nd screw - washer - hole combo. Confirm both screws are firmly tightened.
7. If you have a "2 Pack" repeat the above steps at a new wall stud.

Bringing you the best racks, bags & accessories.
