

## Thank you for purchasing the LINEUP surfboard rack from Rado Racks!

To assemble your LINEUP rack follow these five simple steps.

1. Slide corresponding uprights (E) into cross part (A)
2. Now flip rack upside down and insert cross part (B)
3. Stand rack upright and slide in the top uprights (F) into position
4. Insert dowel nut into slot (G) on piece (E). Align cross part (C). Slide bolt into hole in part (C) and tighten with a screwdriver.
5. Remove backing on adhesive pads and place on contact points. Apply pressure for several seconds for optimal hold.

- You've done it! Now go surf!
